

DEPARTMENT OF WOMEN WASHINGTON STATE JURISDICTION, COGIC

MOTHER GWENDOLYN LAWSON TOWNSEND
JURISDICTIONAL SUPERVISOR OF WOMEN

BISHOP ALVIN C. MOORE, SR.
JURISDICTIONAL PRELATE

Dear Friend of the Washington State Jurisdiction Department of Women,

We have some exciting news! We're planning our 4-day Annual Women's Jurisdictional Convention with a Pre- Convention Consecration and a Post-Convention Prayer Walk. To give you a little sneak peek, we're planning a program that presents positive spiritual, mental, emotional, and physical well-being, which is at the forefront of our work. Our programs and activities are designed to be a catalyst to assist people, especially women, in reaching their lifelong goals and fulfilling their potential.

We are seeking donors for support to help finance this life-transforming event. This year, the event has grown significantly. We are expecting hundreds of attendees, including Jurisdictional Leaders throughout the Pacific Northwest, of Washington, Oregon, Alaska, Idaho, and California, making this our biggest year yet. This will be an exceptional year in which we will be launching our daily Empowerment Institute Workshops and hearing from two (2) keynote speakers who have trailblazed the way for women in ministry and leadership and encouraged women across this nation.

At this event, participants will have the opportunity to attend a prayer breakfast that includes a Women's Forward Leadership Conference, a separate Men's Conference, multiple empowerment institute seminars, nightly messages from the convention visionary, keynote speakers & Jurisdictional Prelate and we will closeout with a luncheon honoring the Washington State Jurisdictional Supervisor of Women and Women's Convention President, Mother Gwendolyn Lawson Townsend.

We believe our efforts would go even farther with your personal or organizational support as an official sponsor.

In this role, you or your business would provide monetary donations on the Emerald, Silver, Bronze, or Platinum level, and in turn we would promote you or your organization as an official sponsor. We have attached a chart that details each sponsor's level with the benefits of each category.

With you or your organization by our side at our annual Women's Jurisdictional Convention, we will surely have an event that builds and empowers God's people and transform their lives.

If you are interested in being an official event sponsor, please contact our Convention Sponsor Project Chair and Contact Person, **Dr. Jacqueline Boles at 206-518-1921**. We can't wait to hear back!

With high expectations and warm regards,
*The Washington State Jurisdiction Department of Women
2025 Women's Jurisdictional Convention Steering Committee*
